If you want to be safe online, you should - - - -.

A) invite people you met online to your house

B) create a password such as your birthday

C) buy things from websites you trust

D) tell the place of your school

Answer the questions 2 - 3 according to the text below.

NEWSPAPER

- - ? - -

The Internet has harmful effects, especially on young people. It can damage their social life, education, and physical health. Firstly, young people don't have many real friends, just online ones. Also, they get bad grades. Many students play computer games, but they don't do their homework. Another bad effect is on their physical health. For example, young people can have problems with their eyes because they look at the screen for a long time. So, young people should spend less time on the Internet.

2. What can be the best title for the text?

A) Dangerous Effects of Internet on Physical Health

B) Disadvantages of Internet on Young People
